1. POSSESSION AND USE - The Landlord shall give possession of the above stated Apartment at **The Waverly at Neptune** (the "Development") to the Tenant for the Term. The Tenant shall take possession of and use of the Apartment only as a private residence. Only the individuals identified on this Apartment Lease may reside in the Apartment. The Tenant shall not use the Apartment for any other purpose other than a residence and shall conform to the municipal and state occupancy standards. The Tenant must not allow the Apartment to be vacant during the Term. In determining whether a tenant complies with municipal or state occupancy standards, the only rooms to be considered in calculating the space for sleeping purposes are the bedrooms as identified by the landlord. The living room, dining room, hallways and closets shall not be considered space for sleeping purposes.

2. RENT - The Tenant shall pay the Rent to the Landlord at the Landlord's address. Rent is due the first day of each month. The rent is considered late if it is received after the 5th of the month. All rent payments received by the Landlord after the 5th of the month shall be by certified check or money order. The Landlord reserves the right to refuse any checks tendered but not drawn on the Tenant's account. A certified check or money order may be required at the option of the Landlord at any time. Once a Summary Dispossess Proceeding has been initiated, the Landlord requires all payments be made by certified check or money order. If there is more than one Tenant, each Tenant shall be jointly and severally responsible for the payment of the rent. The Tenant acknowledges it cannot unilaterally change the due date of the rent or any other provision in this Apartment Lease. **Tenant understands that Tenant is obligated to pay the Rent and Additional Rent each month for the entire Term of this Apartment Lease and, except as may be permitted by applicable law, Tenant has no right to terminate this Apartment Lease prior to the end of the Term.**

(a) Rent Control: Pursuant to N.J.S.A. 2A:42-84.1 et. seq. Tenant's Apartment at the Development located in the City of Neptune is exempt from rent control for a period of time not to exceed the period of amortization of any initial mortgage loan secured by the Landlord or for 30 years following completion of construction, whichever is less.

3. ADDITIONAL RENT - If the Tenant fails to comply with any agreement in this Lease, the Landlord may do so on behalf of the Tenant. The Landlord may charge the cost to comply to the Tenant as "Additional Rent." This includes attorney's fees and court costs incurred by the Landlord as a result of the Tenant's violation of this Lease. Tenant agrees to pay a late fee of 5% of the unpaid rent, as additional rent, if rent is not received in the office by the fifth (5th) of the month. The Tenant agrees to pay a return check fee of \$60.00 as additional rent to the Landlord representing Landlord's costs should any rental check or ACH payment be returned unpaid due to any cause, including Insufficient Funds. The Landlord will not redeposit checks returned unpaid and requires replacement proceeds to be tendered by certified check or money order. In addition, the Landlord reserves the right to demand that all further payments be made by certified check or money order. Landlord reserves the right to initiate a Summary Dispossess Proceeding any time rent is paid late or any time after a rent check or ACH payment is returned unpaid. Landlord is not required to notify tenant that the rent is late or that a rent payment has been returned or reversed.

(a) Pets: No animals or pets of any kind shall be kept in the Apartment unless a fully-executed Pet Rider is signed by both Landlord and Tenant. All charges referenced in the Pet Addendum, as well as the initial non-refundable pet fee, monthly pet fees, will be considered and collected as additional rent.

(b) Parking Charges: If there is a charge for parking at the premises, Tenant agrees to pay a parking charge per space each month due and payable as additional Rent as referenced in the Parking Rider. If Landlord is required to tow or store a motor vehicle belonging to Tenant or any guest of Tenant, such charges will be due and payable to the towing company.

(c) Common Area/Amenities Charge: Tenant agrees to pay a charge for the use, in common with other residents at the premises, of the common areas and amenities at the premises. This payment will be in the amount of \$50 per month due and payable as additional Rent as referenced in the Community Amenity Rules and Regulations Rider. This charge is nonrefundable, cannot be prorated and will be charged each year upon renewal.

(d) Utilities Charge: Tenant agrees to pay, as additional rent, sewer and water charges as referenced in the Sewer and Water Submeter Rider. Tenant will also pay all electric and gas charges as referenced in section 8 of the Lease.

4. SECURITY DEPOSIT - Landlord hereby acknowledges receipt from Tenant of \$ 1,000.00 which represents the Security Deposit payment required under this Apartment Lease. The Security Deposit is held in a trust account at Capital One Bank; 499 Thornall Street, 11th Fl. Edison, NJ 08837 at a current rate of interest of .10%. Landlord will accrue interest on the Security Deposit at the rate set in the applicable statutes, which interest will be credited and paid as required by law. If the Landlord's interest in the Development is transferred, the Landlord shall (a) turn over the Security plus the Tenant's portion of the interest to the new Landlord and (b) notify the Tenant of the name and address of the new Landlord. Notice must be given within thirty (30) days after transfer, by registered or certified mail. The Landlord shall then no longer be liable to the Tenant for the Security plus the Tenant's portion of the interest. The new Landlord shall then be liable to the Tenant for the Security plus the Tenant's portion of the interest. If the Landlord uses the Security during the Term, the Tenant shall promptly pay the Landlord the amount deducted after the Landlord has drawn against the Security Deposit. The Landlord reserves the right to apply any payments made by the Tenant (even if identified as rent) toward the amount to be held as Security so as to bring said amount up to the legal limit. A refusal by the Tenant to bring the Security Deposit back up to the amount previously held by the Landlord prior to any deduction shall be considered a violation of this Lease. The Security is not to be used by the Tenant for the payment of Rent or additional rent. The Tenant agrees that the time for the Landlord to account for the Security Deposit shall not begin to run until the Tenant's responsibility for payment of rent has ceased.

(i) Refund/Deductions: Within thirty (30) days after the expiration or lawful early termination of the Apartment Lease (or on or before such earlier date as may be required by applicable law), Landlord agrees to refund the Security Deposit to Tenant, after deducting all damages or charges for which Tenant is legally liable under the Apartment Lease, or as a result of breaching the Apartment Lease. Such refund shall be made by personal delivery or certified mail. At such time, Landlord will provide Tenant with a written itemization of the Security Deposit, any accrued interest thereon and, in the event Landlord deducts any accrued and unpaid Rent, additional rent or other charges from the Security Deposit, Landlord will furnish Tenant with a written description and itemized list of all deductions Landlord made.

5. NO ASSIGNMENT OR SUBLETTING - The Tenant may not do any of the following without the Landlord's written consent: (a) assign this Lease, (b) sublet all or any part of the Apartment or (c) permit any other person to use the Apartment except persons identified on this Apartment Lease. Even if Landlord permits a sublet or assignment, Tenant will remain fully responsible for (and shall not be released from) the payment of Rent specified in this Apartment Lease and the performance of all other obligations under the terms of this Apartment Lease. Apartment may not be used for short term rental on sites such as Airbnb, Roomorama, Execustay, Sublet, Homeaway, Yourhomesuite and Vrbo.

6. VIOLATIONS, EVICTIONS AND RE-ENTRY - The Tenant is liable for all damages and/or expenses incurred by the Landlord to enforce the terms of this Lease. All such costs, damages, and/or expenses shall be considered additional rent. If the Tenant violates any agreement in this Lease, the Landlord has the right to seek to terminate this Lease and seek possession of the Apartment. This is done by eviction. Landlord reserves the right to initiate a Summary Dispossess Proceeding any time rent is paid late or any time after a rent check or ACH payment is returned unpaid. The Landlord reserves the right to file a Summary Dispossess Proceeding for nonpayment of rent. The Landlord may also evict the Tenant for Tenant's violations of the Lease or for all other causes provided by law. The Tenant shall be responsible for the cost of any Summary Dispossess Proceeding once initiated, to obtain possession of the Apartment, including attorney's fee, court costs, cost of warrant of removal, constable fee and storage fees; for the cost of any appearance by the Landlord's attorney at a Stay Hearing and for the cost to lift a stay in any Court, State or Federal, said sum to include the cost of any filing fee and reasonable attorney's fees, all such costs shall be considered additional rent. All monies due and owing at the time of the Summary Dispossess Hearing must be tendered by the Tenant to settle a Summary Dispossess proceeding initiated by the Landlord for the non-payment of rent. This includes, but is not limited to the payment of accrued rents and late charges, insufficient funds fees, court costs and attorney's fees, all considered additional rent pursuant to the terms of this Apartment Lease. The Tenant agrees to remain responsible on this Lease, even after being evicted, or after Tenant vacates after receiving a Notice to Quit and/or Demand for Possession from the Landlord, as the Tenant acknowledges the Tenant cannot benefit from its own wrong doing. After eviction, the Tenant shall remain responsible until the Landlord's damages are determined. While the Landlord has a duty to mitigate its damages, the Tenant remains responsible on the Lease until the end of the Term when the Landlord's actual damages, if any, can be determined. If the Landlord re-rents the Apartment for less than the Tenant's rent, the Tenant must pay the difference until the end of the Term. If the Landlord re-rents the Apartment for more than the Tenant's rent, the Tenant is not entitled to the excess. The Tenant shall also pay all reasonable expenses incurred by the Landlord in preparing the Apartment for re-renting and for re-renting the Apartment. If the Landlord initiates a court action to collect unpaid "rent",

the Tenant shall be responsible for all expenses incurred by the landlord. **IF THE TENANT IS SUCCESSFUL IN ANY ACTION OR SUMMARY PROCEEDING ARISING OUT OF THIS LEASE, THE TENANT SHALL RECOVER ATTORNEY'S FEES OR EXPENSES, OR BOTH, FROM THE LANDLORD. TO THE SAME EXTENT THE LANDLORD IS ENTITLED TO RECOVER ATTORNEY'S FEES OR EXPENSES, OR BOTH AS PROVIDED IN THIS LEASE. Tenant shall not be entitled to attorney's fees and expenses from the Landlord if the Landlord dismisses any action or summary dispossession proceeding prior to the actual trial date.**

If an action or summary proceeding is initiated by the Landlord based upon the Tenant's complaint with regard to the conduct or actions of another tenant, or another tenant's family, friends and/or guests, and the Tenant fails to persuade the Court that the tenant that is the subject of the action or summary dispossession proceeding initiated by the Landlord at the behest of the Tenant should be evicted, Tenant shall be responsible to reimburse the Landlord for any attorney's fees and costs assessed against the Landlord associated with any such action or summary dispossession proceeding and any such sums shall be considered additional rent

7. QUIET ENJOYMENT - Tenant is responsible for their own conduct as well as the conduct of their family and guests. Such conduct should not interfere with any other tenants' right to quiet enjoyment of their own apartment (i.e. excessive noise, unpleasant odors, infestation, water damage, etc.)

8. UTILITIES AND SERVICES - The Tenant shall pay for all gas, electric, sewer and water fees in a timely manner and the failure to do so is considered a material breach of this Apartment Lease. Landlord is not liable for any stoppage or reduction of services beyond the Landlord's control. This does not excuse the Tenant from paying Rent or additional rent, as provided for under this Lease. It is the Tenant's responsibility to make sure all utilities are in the Tenant's name from the date this lease commences. If the Landlord receives a utility bill for a period during the term of this Apartment Lease, any such sum shall be considered additional rent until paid by the Tenant. Nothing herein shall be interpreted to require the Landlord to pay any of Tenant's utility bills. **Tenant also hereby authorizes the Landlord to contact the utility companies, on behalf of the Tenant, to obtain copies of Tenant's invoices for the purpose of evaluating energy use on the premises.**

9. REPAIRS AND MAINTENANCE -The Tenant shall (a) take good care of the Apartment and all equipment and fixtures in it; (b) promptly make all necessary repairs and replacements whenever the need results from the Tenant's act of neglect or the neglect of Tenant's family members, guests, visitors or contractors (if consented to by Landlord); (c) keep the Apartment and any other part of the building used by the Tenant as clean and safe as possible; and (d) promptly notify the Landlord when there are conditions which need repair. Landlord shall have a reasonable amount of time to make repairs. Tenant shall be responsible for reimbursing the Landlord for the cost of any repairs that are not "normal wear and tear" repairs, any such costs shall be considered additional rent; (e) shall not attach to, hang from or place anything on the railings of the patio or deck; and (f) Tenant agrees not to install any partition walls. **No outside contractor is authorized to perform any services at the Apartment or apartment complex unless approved in writing by a representative of the Landlord.** If Tenant contracts for any such services without written consent of the Landlord, Tenant shall be wholly responsible for the payment for any such service and shall hold the Landlord harmless against any claim made by a contractor who performs any such service at the request of the Tenant. Tenant shall also be responsible for returning the apartment back to its original condition, or else shall be liable to the Landlord for the costs incurred for the Landlord to do so after Tenant vacates.

10. ACCESS TO APARTMENT - Tenant recognizes that the Landlord owns the Apartment in which the Tenant resides and, as such, the Landlord is entitled to reasonable access to the premises to protect and preserve the Apartment. Tenant acknowledges that, in case of emergency, the Landlord is entitled to immediate access to the Apartment. At all other times, Tenant acknowledges that the Landlord is entitled to access to the Apartment with access to be provided by the Tenant between the hours of 8:30 am and 6 pm, Monday through Saturday, upon being given twenty-four (24) hours notice by the Landlord. Should Tenant unreasonably refuse Landlord access to the Apartment after proper notice is received, this shall constitute a substantial violations of the Lease, for which the Landlord may evict the Tenant.

11. NO ALTERATIONS OR INSTALLATION OF EQUIPMENT - The Tenant may not make any changes or additions to the Apartment without the Landlord's written consent. This includes, but is not limited to:
(a) Installation of paneling, flooring, built-in decorations, partitions, moldings or any other fixture drilled into or attached to the floors, walls or ceiling.

- (b) Installation of any locks or chain-guards.
- (c) Painting, wallpapering or other decorations.
- (d) Installation of any equipment, wiring or appliances.

- (f) Tampering with or paint over any sprinkler heads or smoke alarms.
- (g) Installing any aerials, satellite dishes, antenna or other electrical connections outside the Apartment or attached to or on the balcony.

The Tenant shall promptly pay all costs of removing any such changes and/or additions. The Tenant shall not allow any mechanic's lien or other claim to be filed against the Landlord's property. If any lien or claim is filed against the Landlord's property, the Tenant shall have it promptly removed. All costs and expenses referred to herein shall be considered additional rent.

12. FIRE AND OTHER CASUALTY - The Tenant is liable for the acts and neglect of the Tenant, the Tenant's pets, family members, guests, visitors and contractors (even if consented to by Landlord). The Tenant shall notify the Landlord at once if there is damage to the Apartment by fire, water, organic (e.g., mold) or other hazard. If the damage is caused by the Tenant's negligence or misconduct or that of the Tenant's pets, family members, guests, visitors or contractors (even if consented to by Landlord), the Tenant shall remain liable for the payment of the rent during the period the Apartment is being repaired. If the fire or other casualty is caused by the act or neglect of the Tenant or that of the Tenant's pets, family members, guests, visitors or contractors (if consented to by Landlord), the Tenant shall pay for repairs and all other damages. This includes the damage to the Apartment and fixtures installed by the Landlord as well as any loss of rent attributable to the fire or casualty originating in the Tenant's Apartment. The Landlord need not repair or replace anything installed by the Tenant. The Landlord may cancel this Lease if the Apartment is so damaged by fire or other casualty that it cannot be repaired within fifteen (15) days. The Tenant may not cancel this Lease if the fire or other casualty is caused by the act or neglect of the Tenant or that of the Tenant's pets, family members, guests, visitors or contractors (even if consented to by Landlord).

13. LIABILITY OF LANDLORD AND TENANT - The Landlord is not liable for loss, injury or damage to any person or property unless it is due to the Landlord's act or neglect. The Landlord shall not be responsible for any damages claimed by the Tenant due to acts of God, labor disputes, strikes, lock outs and/or inclement weather which limit or disrupt the Tenant's access to or from their Apartment or its use thereof. It is the tenant's duty to maintain the apartment in good condition, keep it clean etc. The Tenant shall repay to the Landlord any money spent by the Landlord due to the Tenant's act or neglect or that of Tenant's pets, family members, guests, visitors or contractors (if consented to by Landlord). Nothing in this Paragraph 13 shall be construed to waive Landlord's warranty of habitability, or to limit Tenant's remedies in the event of a breach of that warranty.

14. SUBORDINATION OF MORTGAGE - This Lease is subordinate to all underlying leases and to all mortgages of the Development and is subject to the effects of any modification in such underlying lease and mortgages. This means that if those underlying leases or mortgages on the Development are changed, or foreclosure or other proceedings based upon them are brought against the property or the Landlord, the rights of the parties holding such leases or mortgages are greater than Tenant's rights. The Tenant agrees, upon request at any time, to sign any paper which the Landlord may consider necessary to accomplish that end. If the Tenant does not do so, the Landlord is irrevocably empowered to sign such paper in the name of the Tenant as the act and deed of the Tenant.

15. NOTICES - All notices given under this Lease must be in writing. Unless otherwise provided by law, they may be given by (a) personal delivery, or (b) certified mail, return receipt requested. Each party must accept the certified mail sent by the other. Notices shall be addressed to the Landlord at the address written at the beginning of this Lease and to the Tenant at the Apartment.

RENEWAL LEASE - Prior to the expiration of the term of this Apartment Lease or any renewal term, the Landlord may terminate the Term and offer the Tenant a renewal lease approximately seventy (75) days before the Term ends. The Tenant must serve written notice to the Landlord of the Tenant's acceptance or rejection of the renewal lease not less than forty five (45) days before the Term ends. If Tenant serves written notice to the Landlord that Tenant elects to not renew his/her lease, such notice shall be considered notice of Tenant's intent to vacate at the end of the Term. If Tenant does not vacate the Apartment at the end of the Term, Tenant shall be liable for double the current monthly rent as a penalty pursuant to N.J.S.A. 2A:42-5, et seq.

If the Tenant fails to serve written notice to the Landlord of the Tenant's acceptance or rejection of the renewal lease no less than forty five (45) days before the Term ends, it will be considered a rejection. If Tenant remains in the Apartment after the expiration of the term, all terms and conditions of the Apartment Lease shall remain in effect however the Term shall automatically renew for an additional twelve month term and the monthly rent shall be automatically increased by an amount equal to ten (10%) percent of the current rent. The Tenant shall also deposit with Landlord additional funds on account of the Security Deposit in an amount equal to the lesser of (i) the amount required to make the Security Deposit equal to one and one half times the new rent and (ii) 10% of the current Security Deposit.

In addition, if the Tenant serves written notice to the Landlord that the Tenant will not renew his/her Apartment Lease or fails to serve written notice to the Landlord as set forth, the Tenant agrees to allow the Landlord access to the Apartment to show prospective tenants the Apartment in accordance with the procedure established in Paragraph 10 hereinabove. The Tenant further agrees that the renewal of this Apartment Lease by the Landlord does not waive or terminate any proceedings initiated by the Landlord pursuant to N.J.S.A. 2A:18-61.1 et seq. (i.e. Notices to Cease, Notices to Quit, Demand for Possession or an actual Summary Dispossess Proceeding) it being agreed by the Tenant that until the grounds for the eviction are resolved or litigated, the Landlord does not waive its right to continue the process.

19. END OF TERM - At the end of the Term, or when evicted, the Tenant shall (a) leave the Apartment clean; (b) remove all of the Tenant's property; (c) return to the Landlord all keys; (d) repair all damage caused by moving; and (e) return the Apartment to the Landlord in the same condition as it was at the beginning of the Term except for normal wear and tear. If Tenant leaves items of personal property in the Apartment or elsewhere on Landlord's property after this Apartment Lease has terminated and delivery of possession has occurred, or if the Apartment appears to have been abandoned, then in such event:

(a) Tenant's property will be considered abandoned and Landlord may sell or dispose of it in any fashion Landlord sees fit pursuant to N.J.S.A. 2A:18-72 et seq.; and

The Tenant should consult with an insurance agent to determine the appropriate insurance required for Tenant's Apartment. (See Insurance Addendum)

34. WAIVER OF CLAIM FOR PERSONAL INJURIES OR DAMAGE TO PROPERTY - Tenant shall notify Landlord of any property damage or injury caused to Tenant, other occupants of Tenant's Apartment, Tenant's guests, invitees, etc. while at the apartment complex immediately. If Tenant or any other occupant of Tenant's Apartment fail to so notify Landlord of any such damage or injury as required, Tenant and/or the other occupant(s) waive their right to assert a claim for damages against Landlord, its principals, agents, contractors, subcontractors, employees, etc. If notice of a claim for property damage or injury is not provided to Landlord within 20 days of the occurrence and a claim for property damage or injury is later asserted by any Tenant, occupant of Tenant's Apartment, Tenant's guest, invitee, etc., Tenant agrees to hold Landlord harmless against any such claim and Tenant agrees to reimburse Landlord or Landlord's insurance company for any costs incurred in defending any such claim.

35. LANDLORD LIABILITY – The Landlord will not be liable to Tenant, Tenant's family, guests, invitees or agents for any damages or losses to person or property caused by other tenants of the building or by any other third parties. Tenant agrees to indemnify (reimburse if necessary), defend and hold Landlord harmless against all claims for damages to property or persons arising from Tenant's use of the Apartment, or from any activity, work or thing done by Tenant or by any permitted pet in or about the Apartment (including legal fees and court costs Landlord incurs). **Landlord will not be liable for personal injury or damage or loss of Tenant's personal property (furniture, jewelry, clothing, automobiles, food or medication in the refrigerator, etc.) resulting from theft, vandalism, fire, water, rain, snow, ice, storms, earthquakes, sewerage, streams, gas, electricity, smoke, explosions, sonic booms, or other causes or resulting from any breakage or malfunction of any pipes, plumbing fixtures, air conditioner, or appliances, unless it is due to Landlord's failure to perform, or negligent performance of, a duty imposed by law. Landlord will not be liable to Tenant for any loss or injury due to interruption or curtailment of heat, hot water, air conditioning, or any other service furnished to Tenant, except as provided by law.** Tenant(s) agree not to withhold any Rent or additional rent, nor will Rent or additional rent be abated, as a result of such interruption or curtailment. Nothing in this Paragraph 35 shall be construed to waive Landlord's warranty of habitability, or to limit Tenant's remedies in the event of a breach of that warranty.

This agreement by Tenant to indemnify (reimburse if necessary), defend and hold Landlord harmless against all claims for damages to property or persons arising from Tenant's use of the Apartment specifically includes, but is not limited to, Tenant's use of the amenity areas and health facilities, if any, at the premises. Neither the Landlord nor Landlord's

affiliates, agents, employees, successors or assigns, will be liable for any claims, causes of action or damages arising out of personal injury, property damage or loss that may be sustained in connection with the amenity areas and health facilities either by Tenant or by any persons Tenant allows to use such areas or facilities, unless such claim or damage arises from Landlord's failure to perform, or negligent performance of, a duty imposed by law. Tenant and any person Tenant allows to use such area or facilities, agrees to assume all risk as to using the facilities and agrees that approval from a physician, if warranted, has been obtained.

36. SECURITY, CRIME OR EMERGENCY – Landlord is not obligated to furnish security personnel, security lighting, security gates or fences, or other forms of security unless required by law. If control or intrusion alarms are provided, Tenant will be furnished with written operation instructions. It is the obligation of Tenant to read these instructions and bring any questions to the attention of Landlord. Tenant shall notify Landlord promptly of any known problem, defect, malfunction or failure of door locks, window latches, lighting, controlled access gates, intrusion alarms and other security-related devices. If security systems, security devices or security services are utilized at the Apartment or premises, no representation is made by Landlord that they will prevent injury, theft or vandalism and, unless otherwise provided by law, Landlord is not liable to Tenant or any guests or occupants for injury, damage, or loss to person or property caused by criminal conduct of other persons, including theft, burglary, assault, vandalism, or other crimes. Landlord reserves the right to reduce, modify or eliminate any security system, security devices, or security services (other than those required by law) at any time and without notice to the Tenant, and such action shall not be a breach of any obligation or warranty on the part of Landlord. Landlord is not responsible for obtaining criminal background checks on any Tenant, occupant, or guest in the building.

Tenant shall dial 911 or immediately call local fire, police, or Emergency Medical authorities in case of fire, smoke, or suspected criminal activity involving imminent harm. Tenant should then contact Landlord or Landlord's representative.

If Tenant or any occupant or guest is affected by a crime, Tenant must file a written Incident Report with Landlord or Landlord's representative and with the appropriate local law enforcement agent. Tenant shall furnish Landlord with the law-enforcement agency's Incident Report number upon request.

37. EXTERMINATION DAMAGES – Tenant shall be responsible for the extermination and all related expenses for the removal of bedbugs and other pests if the Landlord, in Landlord's sole discretion, determines that the presence of such bedbugs and/or other pests are due to the negligence of Tenant or that of Tenant's family members, visitors or guests. All pest remediation expenses incurred by Landlord will be considered additional rent and must be paid to the Landlord with the next Rent payment due and owing. Additionally, Tenant shall comply with and agree to follow all instructions as provided by the Landlord's pest control contractor. Failure to do so will result in a breach of this Apartment Lease.

38. JOINT AND SEVERAL LIABILITY – Each named Tenant is jointly and severally liable for all obligations under this Apartment Lease. If Tenant or any guest or occupant violates the Apartment Lease or Landlord's policies and rules, all Tenants are considered to have violated the Apartment Lease. Landlord's requests and notices to any one named Tenant shall constitute notice to all Tenants and occupants. Notices and requests from any one Tenant or occupant (including notices of Lease termination, repair requests, and entry permissions) shall constitute notice from all Tenants. In eviction suits, any one named Tenant shall be considered the agent of all other Tenants and occupants of the Apartment for service of process. Security Deposit refunds will be by one check jointly payable to all Tenants. The check and any deduction itemizations will be mailed to one (1) named Tenant only.

39. APPLICATION OF RENT – Tenant agrees that Landlord may apply any payment of Rent Landlord receives from Tenant first to any additional rent, outstanding fees, costs or charges owed by Tenant to Landlord under this Apartment Lease and then to the first rent payment due and owing regardless of any statement by Tenant, written or oral, or any notation on Tenant's rental payment check or money order to the contrary.

40. SMOKE-FREE AIR ACT – Tenant acknowledges and understands that the State of New Jersey has enacted the New Jersey Smoke-Free Air Act specifically recognizing the health dangers inherent in environmental tobacco and cannabis smoke and second-hand smoke. Tenant further acknowledges and understands that causing the infiltration of second-hand smoke into the common areas of the building and/or into other apartments in the building may constitute a nuisance and health hazard and be a material infringement on the quiet enjoyment of the other tenants in the building. For the foregoing reasons, Tenant covenants and agrees to take all measures necessary to minimize second-hand smoke from emanating from Tenant's Apartment and infiltrating the common areas of the building and/or into other apartments

in the building, and Tenant acknowledges and agrees that the foregoing covenant is a material obligation under this Apartment Lease.

41. AMENITIES – Under no circumstances will Tenant’s right to use the common areas and amenities at the premises survive beyond the termination of this Apartment Lease. Tenant agrees to follow all posted or published rules and regulations pertaining to the facilities. The failure to follow the rules entitles the Landlord to terminate the use of the amenities. Guests may accompany the Tenant to use the facilities, but Tenant must always accompany Tenant’s guests. Guests cannot use the facilities when Tenant is not present. Tenant is responsible for Tenant’s guests and must sign in their guests. Tenant agrees that Landlord shall not be responsible for providing supervision to Tenant or guests of Tenant. Tenant agrees to be solely liable for any personal injury or property damage caused by Tenant or Tenant’s guests. Tenant agrees to indemnify, defend and hold the Landlord harmless from any claim for personal injury or property damage brought by Tenant or Tenant’s guest, unless such claim or damage arises from Landlord’s failure to perform, or negligent performance of, a duty imposed by law.

42. JOB RELOCATION - In the event that the tenant must vacate the property due to a job transfer by his/her employer of more than 100 miles from the Property, the tenant must abide by the following policies and procedures all of which are considered conditions precedent for the successful termination of the Apartment Lease:

- Provide written notice, received by the Landlord via certified mail at least 60 days prior to the termination date, notifying the Landlord that Tenant was exercising Tenant’s right to terminate the Apartment Lease and said notice must include a certified letter from his/her employer detailing the job transfer as being more than 100 miles from the Property; and
- Termination can only occur at the end of a month; and
- Be current with payment of rent through the termination date of the lease; and
- Tenant’s security deposit cannot be used toward rent; and
- Pay a termination fee equal to one month’s rent via certified check at least 30 days prior to the termination date
- Repay any lease concessions

Note: Employment termination does not qualify as a condition justifying the termination of the Apartment Lease.

42. RESPECT- Tenant, Occupants, Guests and Invitees shall not, at any time, make or permit any noise or vibration, nor permit any conduct (including language or gestures) that may reasonably be considered abusive or offensive or threatening to other Tenants, the Landlord, Landlord’s employees or contractors, repair or maintenance personnel, nor in any way interfere with management of the premises.

MOLD INFORMATION & PREVENTION RIDER

This Rider is incorporated into the Apartment Lease Contract (the "Lease") and is in addition to all the terms and conditions contained in the Lease. If any terms of this Rider conflict with the Lease, the terms of this Rider shall be controlling. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Lease.

APT #: 541

DATE OF LEASE: 9/18/2023

PLEASE NOTE: IT IS OUR GOAL TO MAINTAIN A QUALITY LIVING ENVIRONMENT FOR OUR RESIDENTS. TO HELP ACHIEVE THIS GOAL, IT IS IMPORTANT TO WORK TOGETHER TO MINIMIZE ANY MOLD GROWTH IN YOUR DWELLING. THIS IS WHY THIS ADDENDUM CONTAINS IMPORTANT INFORMATION FOR YOU, AND RESPONSIBILITIES FOR BOTH YOU AND US.

ABOUT MOLD: Mold (also known as mildew) is found virtually everywhere in our environment -- both indoors and outdoors and in both new and old structures. Molds are naturally occurring microscopic organisms that reproduce by spores and have existed from the beginning of time. All of us have lived with mold spores all of our lives. Molds break down organic matter. Without them, we would be struggling with large amounts of dead organic matter.

Molds break down organic matter in the environment and use the end product for its food. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing and other material. When excess moisture is present inside a dwelling, mold can grow. There is conflicting scientific evidence as to what constitutes a sufficient accumulation of mold which can lead to health issues. Reaction to mold exposure differs greatly from one person to another. Most symptoms appear as allergic reactions. Unexplained discoloration on any surface, musty odor, dark spots on or around vents, water stains anywhere, peeling or curling vinyl floors or wallpaper may be signs of mold. Anyone with a health issue that they feel may be associated with mold should consult a medical professional.

PREVENTING MOLD BEGINS WITH YOU: To minimize the potential for mold growth in your dwelling YOU MUST DO THE FOLLOWING:

- **Keep your dwelling clean**-particularly in the kitchen, the bathrooms, carpets and floors. Regular vacuuming, mopping, and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food mold. Immediately throw away moldy food.
- Remove visible moisture accumulation on windows, sills, walls, ceilings, floors and other surfaces as fast as reasonably possible. Look for leaks in washing machine hoses and discharge lines. A leak in this area could cause water to infiltrate nearby walls. Turn on exhaust fans in the bathroom and kitchen before you start showering or cooking with open pots. When showering, be sure to keep shower curtain inside the tub or fully close the shower doors. Experts recommend that after taking a shower or bath you: (1) wipe moisture off the shower walls (a squeegee works good) , shower doors, the bathtub and bathroom floor, (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tile surfaces has dissipated; and (3) hang up towels, bath mats and wet clothing so they will completely dry out. Do not leave wet clothing in the washing machine or dryer.
- **PROMPTLY NOTIFY US** in writing about any air conditioning or heating system problems you discover. Follow our rules regarding replacement of air filters. Also, it is recommended that you periodically open windows and doors on days when the outside weather is dry (i.e. humidity is below 50%) to help humid areas of your dwelling dry out.

IN ORDER TO AVOID MOLD GROWTH: It is important to prevent excessive moisture building up in your dwelling. Failure to promptly pay attention to leaks and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources such as:

- Rainwater leaking from roofs, windows, doors and outside walls, as well as floodwaters rising above floor level;
- Overflows from showers, bathtubs, toilets, lavatories, sinks, washing machines, dehumidifiers, refrigerator or A/C drip pans or clogged condensation lines;
- Leaking from plumbing lines or fixtures (Resident should know where water shut-offs are), and leaks into walls from bad or missing grouting/caulking around showers, tubs or sinks;
- washing machine hose leaks, plant watering, overflows, pet urine, cooking spills, beverage spills and steam from excessive open-pot cooking;
- Leaks from clothes dryer discharge vents (which can put excessive moisture in the air);
- Insufficient drying of carpets, carpet pads, shower walls and bathroom floors;
- Rain gutters clogged with leaves;
- Leaking hot water heater;
- Excessive soaking of exterior sprinklers or hoses.

IF SMALL AREAS OF MOLD HAVE ALREADY OCCURRED ON NONPOROUS SURFACES: (Such as ceramic tile, Formica, vinyl flooring, metal or plastic). The Federal Environmental Protection Agency (EPA) recommends that you first clean the area with soap (or detergent) and water, let the surface dry, and then within 24 hours apply a pre-mixed spray-on type household biocide such as Lysol disinfectant, Pine-Sol disinfectant (originally pine scented), Tilex Mildew remover or Clorox Cleanup. (Note: Only a few common household cleaners will actually kill mold.) Tilex and Clorox contain bleach that can discolor or stain so use caution especially near carpeted areas. **Be sure to follow the instructions on the container.** Applying biocides without first cleaning away dirt and oils from the surface is like painting over old paint without first cleaning and preparing the surface.

Always clean and apply a biocide to an area 5 or 6 times larger than any visible mold because mold may be adjacent in quantities not yet visible to the naked eye. A vacuum cleaner with high efficiency particulate air filter (HEPA) can be used to help remove non-visible mold products from porous items such as fibers in sofas, chairs, drapes and carpets -- provided the fibers are completely dry. Machine washing or dry cleaning will remove mold from clothes.

DO NOT CLEAN OR APPLY BIOCIDES TO: (1) visible mold (other than mildew) on POROUS surfaces such as sheetrock walls or ceilings or (2) large areas of visible mold on nonporous surfaces. Instead, notify Management in writing and appropriate action will be taken.

COMPLIANCE: complying with this attachment will help prevent mold growth in your dwelling and all parties will be able to respond correctly if problems develop that could lead to mold growth. If you have questions regarding this addendum, please contact us at the management office.

Remember that leaks caused from storms cannot be repaired until the rain stops. Residents must take the initiative to keep premises as free of water as possible and reporting to management the status of the leak so that appropriate action can be taken.

Tenant's Representations and Indemnification

Tenant agrees to immediately inform Landlord in writing of any substance that Tenant suspects to be a pollutant, contaminant, or other harmful substance or agent, including specifically, but not limited to toxic mold, in or about the

Apartment or common areas. Furthermore, Tenant agrees to immediately inform Landlord of any known common source of mold existing on or about the Apartment, including but not limited to 1) rain leaking from roofs, windows, doors, or walls; 2) overflows or leaks from showers, bathtubs, toilets, sinks, washing machines, plumbing lines or fixtures, plants, pet urine, cooking spills, refrigerators, air condition units, etc.; and 3) insufficient drying of carpets, carpet pads, shower walls, and bathroom floors. Tenant further agrees that they have had the opportunity to fully inspect the Apartment and the common areas near their apartment and are not aware of any existing mold problems. Tenant hereby indemnifies and holds harmless the Landlord, and its agents and assignees, from any and all claims, damages, harms, and losses arising out of or concerning any toxic substances including specifically, but not limited to toxic mold, in or about the Apartment or common areas, to the extent that such claims are or may be brought by Tenant, or Tenant's guests or invitees.

If you fail to comply with this Addendum, you can be held responsible for property damage to the dwelling and any health problems that may result. We can't correct problems in your dwelling unless we know about them.

I have read, understand and agree to comply with the preceding provisions.

6. **Disclaimer by Property Manager/Owner:** Resident acknowledges that Management Company/Landlord adoption of a smoke-free living environment does not in any way change the standard of care that the Management Company/Landlord would have to a Tenant(s) household to render buildings and premises designated as smoke-free any safer, more habitable, or improved in terms of air quality standards than any other rental property. Management Company/Landlord specifically disclaims any implied or express warranties that the building, common areas, or Tenant(s) Apartment will have any higher or improved air quality standards than any other rental property. Management Company/Landlord cannot and does not warrant or promise that the Property or common areas will be free from secondhand smoke. Tenant(s) acknowledge that Management Company/Landlord ability to police, monitor, or enforce the agreements of the Rider is dependent on voluntary compliance by Tenant(s) and Tenant(s) guests. Tenant(s) with respiratory ailments, allergies, or any other physical or mental condition relating to smoke are put on notice that the Management Company/Landlord does not assume any higher duty of care to enforce this Rider than any other Management Company/Landlord obligation under the Lease.

Landlord Placed Tenant Liability Insurance Policy (LPTLI)

- The coverage provided under the LPTLI will include \$100,000 Limit of Liability for Tenant(s) damage to the Landlords property. An amount equal to the total cost to the Landlord of adding Tenant(s) apartment to the LPTLI policy shall be charged back to Tenant(s) by the Landlord, or the Landlords authorized representative. Some important points of this coverage, which Tenant(s) should understand are:

- Landlord is the Named Insured under the LPTLI. Tenant(s) are an Additional Insured under the Tenant(s) liability component of the LPTLI policy for liability arising from on-premises Bodily Injury and Property Damage up to the Limit of Liability appearing above.
- LPTLI coverage is not personal liability insurance or renter's insurance. Landlord makes no warranty or representation that LPTLI covers the Tenant(s) personal property (contents) or additional living expenses. Although coverage may be similar to a personal liability insurance policy or the liability portion of a renter's insurance policy, the LPTLI may not protect Tenant(s) as if Tenant(s) had purchased personal liability or renter's insurance from an insurance agent or insurance company of Tenant(s) choice.
- Coverage only applies to liability arising on the Tenant(s) Property. Tenant(s) are not insured away from the Tenant(s) Property.
- Coverage under the LPTLI policy may be more expensive than the cost of other insurance available to the Tenant(s). At any time, Tenant(s) may contact an agent of their choice for personal liability or renter's insurance options to satisfy the insurance requirements under the Lease.
- Licensed insurance agents may receive a commission on the LPTLI policy.
- The fee to cover the expense of this coverage shall be fifteen dollars (\$15.00) per month.

Subrogation Allowed

- Tenant(s) and Landlord agree that subrogation is allowed by all parties and that this agreement supersedes any language to the contrary in the Lease.

Miscellaneous

- Except as specifically stated in this Rider, all other terms and conditions of the Lease shall remain unchanged. In the event of any conflict between the terms of this Rider and the terms of the Lease, the terms of this Rider shall control.

Default

- Any default under the terms of this Rider shall be deemed an immediate, material and, incurable default under the terms of the Lease, and we shall be entitled to exercise all rights and remedies under the law.

I have read, understand, and agree to the following provisions.

If any terms of this Rider conflict with the Lease, the terms of this Rider shall be controlling. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Lease.

Definition of Move in/Move out vs. Deliveries

For purposes of these regulations a "Move in/Move out" shall be defined as the moving/delivery of more than two pieces of furniture or large appliances, or more than six boxes. Situations which fall below these limits shall be considered a "Delivery".

Insurance:

Prior to moving/delivery date, Moving and/or Delivery Company must present a Certificate of Insurance to the Management Office indemnifying its Officers, Directors and Managing Agent from all liability whatsoever. Contractors must carry a minimum Liability Policy of \$1 million per occurrence/\$2 million aggregate and Workers' Compensation with minimum statutory coverage.

Inspections:

Prior to and upon completion of the "move in/move out" a BNE Management Group representative will inspect all common areas being utilized during the move/delivery with the resident. The resident will be responsible for damage to the interior or exterior of the building attributed to the residents moving activity.

Elevator Use:

Prior to the use of an elevator (if applicable), the elevator must be padded by a BNE Management Group representative.

Move in/Move out:

Residents moving in/out or within the building must contact the Management Office during normal business hours to schedule the move. Reservation requests should be made as far in advance as possible to ensure availability of an elevator (if applicable). Moves are scheduled on a first come, first-serve basis.

Any violation of the Move-in/Move Out policy will result in a \$500 fine.

Moving Hours:

Moving hours are strictly enforced and are limited to one of the following time slots:

Monday-Friday: 10:00am-1:30pm

Monday- Friday: 2:00pm- 5:30pm

| * Memorial Day | * Day after Thanksgiving |
| * Independence Day | * Christmas Eve |
| * Labor Day | * Christmas Day |
| * Rosh Hashanah | * New Year's Eve |

Move-In/Move-Out Fee Schedule:

No fees are charged for moves which occur Monday- Friday.

Damage Deposit / Certificate of Insurance:

If you choose to move without utilizing a moving company, a Damage Deposit check in the amount of \$500 must be paid prior to the move. If the inspection after the move proves no damage occurred the damage deposit check will be immediately returned. If it is determined that damage has occurred, an assessment of the damages will be conducted. The damage deposit check will be retained to be applied toward repair costs. Repairs will commence as promptly as possible and upon completion you will receive a written detailed outline of the repairs and costs incurred and either a refund check will be issued or an invoice for the balance due will accompany the detail.

If you contracted with a moving company, and it is determined damage to the common area has occurred, the resident must immediately contact the moving company and initiate an insurance claim.

Delivery

In cases of a Delivery, as defined above, the resident should carefully monitor the delivery process to insure that care is taken in moving thru the Common Areas. The resident will be responsible for the cost to repair any resulting damage to common areas.

EARLY LEASE TERMINATION SETTLEMENT AGREEMENT

This Agreement is incorporated into the Apartment Lease Contract (the "Lease") and is in addition to all the terms and conditions contained in the Lease. If any terms of this Agreement conflict with the Lease, the terms of this Agreement shall be controlling. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Lease.

APT #: 541

DATE OF LEASE: 9/18/2023

If you are attempting to terminate your lease prior to your lease expiration date, you have two options: (1) You may choose to enter into this Settlement Agreement and settle your account upon the terms indicated below or (2) You may choose instead to fulfill the obligations of your lease (including paying rent until the earlier of (i) the end of the lease term or (ii) the date a new resident moves into the apartment). By choosing the settlement option, you understand that you are choosing to terminate your lease early and stop your obligation to pay monthly rent by (i) completing and delivering to Management a written Notice of Resident's Intention to Terminate the Lease ("written notice"), which must include your early move-out date (the "early lease termination date"); (ii) entering into this Settlement Agreement on the day your written notice is given to Management; and (iii) paying the total amount shown below. *You will remain responsible for obligations related to the condition of the apartment. You must be in good financial standing to exercise this option to terminate the lease early. If you are not in good standing due to any outstanding balance, you may make payment for the entire outstanding balance, and upon verification of receipt of funds, may then submit this Agreement.*

As a condition precedent for you to effectuate the early termination of your Lease you must (i) give a minimum of 60 days' written notice and the termination date must be the end of the month; (ii) pay a settlement fee equal to two months' rent; (iii) repay concessions received as of the early lease termination date; (iv) pay rent through the early lease termination date or through the end of the 60-day notice period, whichever is later; and (v) the condition of your apartment when you deliver possession to the Landlord must be such as there is no damage in excess of \$500. The settlement fee and concession payback must be paid with your Written Notice and execution of this Settlement Agreement.

You will not be allowed to "back date" your written notice to a date that is earlier than the date you sign the Settlement Agreement. You must pay rent to fulfill the notice period when rent is due pursuant to the Lease or on the date of move-out, whichever is earlier. You understand and agree that you (i) will not, for any reason, be entitled to a refund of any amounts paid pursuant to this Agreement; (ii) are obligated to pay the settlement fee and/or rent paid through the early termination date or notice period, even if you vacate and the apartment is re-rented by Management before the early termination date or the end of the notice period, and (iii) will be subject to double the rent until you deliver possession of your apartment to your Landlord in accordance with N.J.S.A. 2A:42-5 if you fail to vacate on or before the referenced early lease termination date.

Payment Provisions:

DESCRIPTION	AMOUNT
Outstanding Balance	
Rent Through Termination Date	
Settlement Fee	
Concession Payback (If Any)	
TOTAL AMOUNT DUE	

Payment to be made in the form of a certified check or money order.

To avoid any additional rent charges, please return keys and other access items to us no later than 5:00 pm on _____. You may return the keys and other access devices to the management office during normal business hours.

We would like to complete a Pre Move-Out inspection 30 Days prior to your move out date and a final Move-Out Inspection with you when all of your items have been removed from the apartment. Please call us at (732) 922-2112 to set an appointment for the inspection. Any charges that are determined as a result of the inspection will be itemized on a final statement and deducted from the Security Deposit. If necessary, you will be billed for any amounts that are not covered by the deposit.

You acknowledge your understanding that entering into this Settlement Agreement is voluntary.
